Why be a member? Becoming a member of the Club will help insure that the gift of sobriety is available for every newcomer who walks through the doors. It takes all of us to make this work.

We are self-supporting through our own contributions. The Club is supported thru two primary revenue streams: meeting rent and membership dues. We could not keep this place running on meeting rent alone. When you put your money in the basket, you are contributing to the meeting's rent. The meeting rent should not be confused with Club membership dues. The Club relies on membership dues and could not continue to pay for this property without them.

If you are not a member, please consider joining and becoming a part of a wonderful fellowship of Alano Club members.
